OBJECTIVE

Seeking an internship in the Machine Learning or Software Engineering field.

EDUCATION

Texas A&M University, College Station, Texas   *Graduation: May 2024*
Bachelor of Science in Computer Science
Planned Minor in Statistics
Cumulative GPR: 3.58

WORK EXPERIENCE

American Airlines, Dallas Fort Worth, TX   *May 2022 – August 2022*
Software Developer Intern
- Worked as part of the Cybersecurity & Technology Risk Management team. Used a software called Cherwell, it is a critical software that has 5 different environments including: Developer, Test, Stage, Cherwell, and Product.

Cloudera, Austin, TX   *June 2019 – August 2019*
IT Youth Intern
- Reduced company expenses by factory resetting Macs, then installing MacOS. This ensured licenses were erased and that the Macs could be used by new employees.

NASA, Austin, TX   *May 2019 – July 2019*
SEES Intern
- Represented my school in an internship that was open to every US High School. Among 600 national applicants, only 50 were accepted.
- Designed the layout of a website for NASA. This website was used to help train machine learning to identify geographic features in photographs taken by astronauts aboard the ISS.

LEADERSHIP

TAMU Datathon   *January 2022 - Present*
Logistics Director
- Introduce our university event to potential sponsors to get funding for food, prizes, and merch.
- Coordinate a 24-hour event happening in October requiring a year of planning. We are responsible for scheduling the venue and ensuring the event is a positive learning environment.
- This hackathon has 15 officers and 700 participants per year.

Aggie Hispanics in Computing   *March 2022 - Present*
Vice President
- Organize events to recruit members and empower Hispanic students in the technology field.
- Partner with faculty and students to help create a welcoming environment for Hispanic students wanting to major in a field requiring coding.
- This club made up of 7 officers and serves 50 members.

Latino Males United   *August 2022 - Present*
President
- Oversee and provide a vision for LMU. Take the lead in coordinating the annual cultural excursion.
- This men's organization is composed up 5 officers and serves 20 members.
